

# VISION

We are convinced that a film, a voice, a story, borne by an individual or a group, can provoke a change of consciousness, arouse new ideas and commitments, to lead to social change.

## MISSIONS

### HIGHLIGHT

We highlight the causes defended by those who are fighting for the respect for human rights.

### DEBATE

We open up the debate on all issues relating to human rights issues, freely and publicly.

### BRING TOGETHER

We bring together the public at large with those who defend human rights around the world, filmmakers, activists and field workers.

### TRANSFORM

We seek to raise awareness, challenge and arouse curiosity by making the subjects accessible to all.

**GENEVA**  
**FIFDH**  
Cultural actor committed to defending and promoting human rights.

## VALUES

### OPENNESS

The FIFDH is a place of exchange and encounters, which attaches importance to differences and sensitivities, where everyone is listened to without judgement or preconceived opinion.

### AGILITY

Cultivating curiosity, confidence, initiative, creativity and team spirit, we adapt constantly to all circumstances.

### SOLIDARITY

In the spirit of collaboration, we are committed to sharing our knowledge, to value collective intelligence, to mutual support and to cooperation.

### SUSTAINABILITY

We seek to integrate the three dimensions of sustainable development: social, economic and environmental dimensions in the implementation of the activities of the FIFDH.
